

## Editorials

- Whatever happened to sevoflurane? / Où est donc passé le sévoflurane?  
*B.R. Brown, Jr., E.J. Frink, Jr.* 207

- Critical care audit / Du bon usage des soins intensifs  
*J.A. Vestrup* 210

## Reports of Investigation

- Patient-controlled lumbar epidural fentanyl compared with patient-controlled intravenous fentanyl for post-thoracotomy pain  
*R.P. Grant, J.F. Dolman, J.A. Harper, S.A. White, D.G. Parsons, K.G. Evans, C.P. Merrick* 214

- Epidural lidocaine with sufentanil and epinephrine for abdominal hysterectomy under general anaesthesia: respiratory depression and postoperative analgesia  
*R.A. Dyer, K. Camden-Smith, M.F.M. James* 220

- Efficacy of rectal ibuprofen in controlling postoperative pain in children  
*E.L. Maunuksela, P. Ryhänen, L. Janhunen* 226

- Concentration of fentanyl in colostrum after an analgesic dose  
*P.L. Steer, C.J. Biddle, W.S. Marley, R.K. Lantz, P.L. Sulik* 231

- Intracranial pressure during induction of anaesthesia and tracheal intubation with etomidate-induced ECG burst suppression  
*P.A. Modica, R. Tempelhoff* 236

- Rapid inhalational induction of anaesthesia with isoflurane or halothane in humidified oxygen  
*P.V. van Heerden, M. Bukofzer, K.R. Edge, D.F. Morrell* 242

- Prostaglandin E<sub>1</sub> and carbon dioxide reactivity during cerebral aneurysm surgery  
*K. Abe, A. Demizu, K. Kamada, Y. Shimada, T. Sakaki, I. Yoshiya* 247

- Carbon dioxide reactivity during prostaglandin E<sub>1</sub> induced hypotension for cerebral aneurysm surgery  
*K. Abe, A. Demizu, T. Mima, K. Kamada, I. Yoshiya* 253

## Special Article

- Audit of critical care: aims, uses, costs and limitations of a Canadian system  
*R.J. Byrick, G.M. Caskennette* 260

## Laboratory Investigation

- Haemodynamic and organ blood flow responses to sevoflurane during spontaneous ventilation in the rat: a dose response study  
*M.W. Crawford, J. Lerman, M. Pilato, H. Orrego, V. Saldivia, F.J. Carmichael* 270

## Clinical Reports

- Maternal and fetal effects of intravenous patient-controlled fentanyl analgesia during labour in a thrombocytopenic parturient  
*O.P. Rosaeg, J.B. Kitts, G. Koren, L.J. Byford* 277

- Acute intermittent porphyria and Caesarean delivery  
*G. Kantor, S.H. Rolbin* 282

- Functional stridor diagnosed by the anaesthetist  
*G. Tousignant, S.J. Kleiman* 286

- Upper airway oedema following autologous blood transfusion from a wound drainage system  
*R. Woda, J.E. Tetzlaff* 290
