

Contents

Editorial

- ARDS and sepsis – definitions and new therapy /
ARDS et sepsis
J.S. McLean, R.J. Byrick **585**

Reports of Investigation

- Regional anaesthetic technique and the incidence
of tourniquet pain
J.E. Tetzlaff, H.J. Yoon, M. Walsh **591**

- Élévation de la tension artérielle lors de chirurgie
sous garrot pneumatique: un mécanisme
indépendant de la rénine?
L. Magnusson, M. Rebagliati, E. Buchser **596**

- Combined spinal epidural block versus spinal and
epidural block for orthopaedic surgery
*B. Holmström, K. Laugaland, N. Rawal,
S. Hallberg* **601**

- Postdural puncture headache: a randomized
prospective comparison of the 24 gauge Sprotte
and the 27 gauge Quincke needles in
young patients
S. Wiesel, M.J. Tessler, L.J. Easdown **607**

- Oral clonidine premedication attenuates the
haemodynamic effects associated with
ketamine anaesthetic induction in humans
G.J. Doak, P.C. Duke **612**

- Lumbar epidural anaesthesia prevented
prostaglandin E₁-induced diuretic effect in
enflurane anaesthetized patients
*H. Yamaguchi, I. Harukuni, S. Dohi,
S. Watanabe, H. Naito* **619**

- Low-dose aprotinin infusion is not clinically
useful to reduce bleeding and transfusion of
homologous blood products in high-risk
cardiac surgical patients
*J.-F. Hardy, J. Desroches, S. Belisle,
J. Perrault, M. Carrier, D. Robitaille* **625**

- Publication of abstracts presented at anaesthesia
meetings
S.M. Yentis, F.A. Campbell, J. Lerman **632**

Review Article

- Regional anaesthesia for intraocular surgery
D.H.W. Wong **635**

Clinical Reports

- Adult respiratory distress syndrome after radical
neck dissection
*T. Ezri, P. Szmuk, B. Shklar, I. Poria,
A. Schattner, D. Soroker* **658**

- Transoesophageal echocardiography and the
intraoperative diagnosis of left atrial invasion
by carcinoid tumour
*S.M. Neustein, E. Cohen, D. Reich,
P. Kirschner* **664**

- Spinal anaesthesia for Caesarean section after
Harrington instrumentation
K. Kardash, B.W. King, S. Datta **667**

Brief Review

- Lumbar epidural anaesthesia for inguinal hernia
repair in low birth weight infants
*A.C. Webster, J.D. McKishnie, J.T. Watson,
W.D. Reid* **670**

Laboratory Investigation

- Displacement of lidocaine from the lung after
bolus injection of bupivacaine
*S. Ohmura, K. Yamamoto, T. Kobayashi,
S. Murakami* **676**
